IN RE:	Application of Business Options, Inc. for a)	ORDER CANCELLING
	Certificate of Public Convenience and)	CERTIFICATE
	Necessity to Provide Intrastate Interexchange)	
	Telecommunications Services Within the State)	
	of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Business Options, Inc. (Business Options or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to operate as a reseller of interexchange telecommunications services within the State of South Carolina. A review of the Commission's records reveals that the Commission granted Business Options authority to operate as a provider of telecommunications services in South Carolina by Order No. 96-567, dated August 19, 1996.

By letter from the Company's President, filed January 12, 2007, Business Options seeks cancellation of the Company's Certificate. Business Options advises that the Company has ceased operations, has not acquired new customers in years, and no longer has any customers in South Carolina.

As Business Options is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and

concludes that Business Option's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

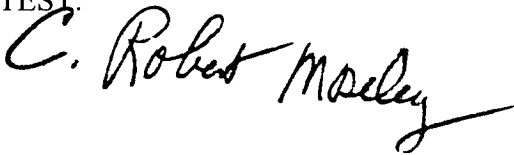

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications services within the state of South Carolina authorized by Order No. 96-567, dated August 19, 1996, issued to Business Options, Inc. is hereby cancelled.
2. Business Options, Inc. remains responsible for any Commission assessments payable during any year that the Company has operated in South Carolina.
3. This Order shall remain in full force and effect until further Order of the Commission.
